
Distinguished Alumna 2012

Dr Rebecca Himm

Rebecca graduated from Schoolcraft College in 1999 with an Associate's degree in Science. During her time at Schoolcraft she was a member of Phi Theta Kappa Omicron Iota chapter, worked in the Learning Center as a part of the PAL program, all while maintaining her academic standing on the Dean's list.

After leaving Schoolcraft, she went on to Eastern Michigan University graduating *magna cum laude* and she received her Bachelor's of Science in Chemistry with Honors. She was accepted into the University of Detroit-Mercy School of Dentistry for the class of 2006.

"I continued to excel at my academic studies because of my good foundation from Schoolcraft." She was awarded the Pierre Fauchard scholarship and was accepted into the Nu Nu chapter of OKU a Dental honor society based upon excellent academic standing. She graduated in the top five of her class. Besides excelling academically she became very involved in the dentistry community through the University of Detroit-Mercy School of Dentistry.

Dr. Himm serves as co-chair of the Detroit District Dental Society and is a member of the ADA, MDA, DDDS and AGD dental societies. She continues to participate in outreach programs such as Give-Kids-A-Smile, a national dental awareness and access program for underserved. "I have continued to value my education that I received at Schoolcraft College. I take continuing education classes through the community education program and have also participated in the Schoolcraft College community theater program. I truly enjoy being a part of the shows including *The Man Who Came to Dinner*, *Deadly Nightcap*, *Measure for Measure*, *King Lear*, and *Butterflies are Free*. I look forward to many more years of Schoolcraft experiences."
