Outing Rules—Scramble Format

• Please drop your golf bags off in the Bag Drop Area (west of the clubhouse) prior to parking.

• All golfers must sign in at the registration table and receive event materials.

• All players should be at their carts a minimum of 15 minutes before the 12 noon shotgun start for important announcements. Please plan to join us for lunch in the clubhouse beginning at 11 a.m.

• Each team must use a minimum of two drives from every member of the team during the round. After each shot, the team will select the preferred shot and the next set of shots will be attempted from a position that is within one club length, no nearer the hole, from the site of the preferred shot. The one club length must be in the same general conditions where the preferred shot lays, i.e. if in the rough it must be played from the rough. No “gimmies,” i.e., all putts must be holed out.

• Upon reaching the green each player is permitted to putt within one putter head length of where the original ball was marked, no nearer the hole.

• Golfers will play one of three combinations of courses: North/South; South/West; West/North. Scoring will be determined by the team’s overall score in relation to par. In the event of a tie, the tiebreaker will be determined by matching cards on common 9s. If common 9s are not involved, winner will be determined by a draw.

• Walnut Creek Country Club will provide locker room facilities for your convenience. A locker room attendant will be available. Please note: WCCC is not responsible for personal property of guests in locker rooms or anywhere on Club premises. The Club is not responsible for damage to parked automobiles or for theft of personal effects left in cars.

Rules of Golf Course
To insure a pleasurable round of golf, all players are asked to follow general rules of course etiquette:

• Players shall refrain from stepping within 6 inches of the cup to prevent breaking down the line of the cup.

• Power carts must be kept off greens, approaches and out of bunkers. Please observe all cart directional signs. Brown posts direct traffic back to a cart path or 30 feet wide of the green. Brown posts are moveable obstructions. Please avoid low spots when wet.

• Power carts must be kept on cart path on all par 3s.

• Regardless of inconvenience, players must refrain from walking up the faces of bunkers.

Dress Code

• Soft spikes are mandatory for all golfers.

• Golf shoes are not allowed in the clubhouse.

• Proper golf attire is required:
  • Denim jeans, cutoffs, short shorts, tennis shorts, collarless and/or sleeveless shirts are not permitted.
  • Bermuda shorts and women’s golf skirts must be no shorter than one’s own hand width above the knee cap.
  • Smoking is not allowed in the clubhouse—smoking is allowed on the course.
Schoolcraft College Foundation Golf Classic Fore Scholarships
